

October 30, 2020

Dear Wesbrooke Residents and Families,

The recent spike in COVID cases has caused us great concern. The number of outbreaks and their close proximity has forced us to re-evaluate how we are implementing our guidelines in order to protect our residents and staff.

The Table below shows the most recent outbreaks as announced by Fraser Health. You will notice that Mayfair Terraces is in Port Coquitlam and Baille House is in maple Ridge. As well, Real Canadian Superstore in Pitt Meadows has reported an outbreak. These are very close and pose a serious threat of spreading the virus to us and our community.

We will continue to monitor these events closely and if needed will revise our safety procedures involving residents, families and staff.
